**2012 Mt. Veeder
Cabernet Sauvignon**

Ripe red fruit flavors bookend this balanced cab, drawing you in on the nose and emerging again on the lovely, lingering finish. Subtle notes of vanilla and cedar surround the robust, hardy, lush mountain fruit mid-palate, with balanced acidity and elegant tannins providing a solid backbone.

This year's Cabernet Sauvignon is an opulent, pleasing slow-sipper, as you'll want to savor it all the way to the last drop.
